Dear Barbara,

I want to take this opportunity to congratulate you on a job well done. The completion of Roswell's *Development Guidebook* will greatly enhance this department's standing in the development community. Your contribution to the structure and content of this publication is invaluable and the layout superb. I am truly amazed at the high quality outcome you have delivered in this effort.

During the past year, it has been a distinct pleasure to work with you. I have found your responsiveness refreshing and your attention to detail commendable. You have always been a team player and provided excellent support for me and for the programs of the Roswell Community Development Department.

I wish you the very best in your future endeavors.

Sincerely,

Tom Wilson, Deputy Director
Community Development Department
